Welcome from the President

Welcome to the beautiful campus and facilities of St. Olaf College for the 12th Summer Institute and 22nd National Competition of the American Harp Society, Inc. Institute Coordinators Kathy Kienzle, Elinor Niemisto, and Ann Benjamin and the host committee are excited to bring you a program of workshops, master classes and concerts inspired by the Minnesota state motto "L'etoile du Nord", *Star of the North*. Everyone involved in putting this Institute together is a star, and they have made it their mission to leave you starry eyed and inspired by experiencing great teaching, amazing student performers, outstanding compositions and dedication to the instrument building being cultivated in the North!

A smorgasbord of talented and dedicated artists are poised to give you a breadth of fascinating experiences this week, with concerts by AHS 2015-2017 Concert Artist Katherine Siochi, winner of the Gold Medal at the 2016 USA International Harp Competition; Minnesota harpists honoring the works of Dominick Argento and Stephen Paulus; featured student harpist composers, brought together with Minnesota composer Libby Larsen and Minnesota harpist/composer Rachel Brandwein; master classes taught by Kathleen Bride, Emily Levin, and Marguerite Lynn Williams and a gala concert presented by the winners of the AHS National Competition, including the newly selected AHS Concert Artist. There are workshops for every taste, from exploring performance practice, to learning how to maximize practicing, and social opportunities to forge new friendships at lunchtime round table discussions and regional gatherings.

A very special thank you to our sponsors, host committee, and volunteers for all they have done to prepare a special Summer Institute and Competition. Thanks to all of you for joining us. We know you will leave St. Olaf revitalized: inspired by performances, energized by master teachers, and uplifted by fellowship with harpist friends, both old and new.

Welcome to the Institute!

Cheryl Dungan Cunningham
President

Welcome from the Chairman of the Board

Welcome to the AHS 2017 Summer Institute and 22nd AHS National Competition held at the beautiful campus of St. Olaf College in Northfield, Minnesota. I commend the many outstanding harpists who were selected as finalists in the five divisions of the AHS National Competition, and I wish to recognize the many young harpists that participated in the preliminary rounds. Congratulations to the composers who were selected to participate in the Young Composers Project. I extend a special welcome and expression of gratitude to the families, teachers, and mentors who have supported and fostered such excellence.

Thank you to the presenters and performers who will inspire us at this Summer Institute. I also want to extend a special thank you to the all the members of the host committees, who have worked tirelessly to bring this outstanding event to fruition. This Summer Institute provides an opportunity for all attendees to hear wonderful music, sharpen their musical tools, explore new ideas, and recharge themselves musically! I look forward to renewing relationships, making new friends, and enjoying a wonderful experience together.

Warmest wishes,

Elaine Pack Litster
Chairman of the Board

Welcome from the Executive Director

Welcome, everyone, to the American Harp Society, Inc.'s 2017 Summer Institute and 22nd National Competition! We're delighted to welcome you to this wonderful retreat-like campus of St. Olaf. Student, competitor or teacher, lever harpist or pedal harpist, professional or aficionado, the Institute has been planned for you. We hope you have many special moments of camaraderie, inspiration and awe.

Thanks to our most generous hosts, St. Olaf College and Music Department Chairman Justin Merritt, for sharing their excellent facilities with us. Our sponsors and supporters (see page 1) have provided essential financial support and other resources, and a most special thanks goes to our Institute Coordinators Kathy Kienzle, Elinor Niemisto and Ann Benjamin, along with the volunteers of the Minnesota Chapter and beyond. Scores of members have invested endless months and hours of time in phone calls, meetings, and work on campus to make the Institute a great success. Be sure to thank

all of them, the Competition committees, our volunteer performers and presenters, and all who contributed to this most important opportunity for our members.

Kathryn McManus
Executive Director

Welcome from the 2017 Institute Coordinators

The three of us have had a great time planning this Institute. Ann's dining room table was the site of many discussions and Zoom meetings with the patient and invaluable Kathy McManus. After reviewing and organizing the schedule of the events, the teams of helpful volunteers and harp lenders, the food, the dorms, the transportation and more, Elinor would revive us with tasty and healthy homemade treats like Salad in a Jar (see Pinterest for recipes), Overnight Oatmeal with Blueberries and Leftover Vegetable Quiche. Kathy kept us on task and on schedule even though she is also overseeing a World Harp Congress in Hong Kong the week after the Institute!

We are lucky to be at St. Olaf College where the gorgeous facilities reflect its Scandinavian heritage. Boe Chapel and two recital halls are state of the art performance locations that show the College's dedication to the highest level of performing arts. Do take time to stroll around the beautiful campus, as the college sits on a hill looking over the bucolic Minnesota countryside. Also, enjoy the fresh locally sourced food while dining on campus.

The city of Northfield offers all the amenities of a vibrant college town. Families can tour the Jesse James museum, hike in the woods of Nerstrand State Park, or shop the charming downtown area. Exploring further, families may travel to the Twin Cities where they can shop at Mall of America, take in world-class museums, attend major and minor league baseball or soccer games, or visit the outstanding Minnesota Zoo.

Yes, we know, you are here for the harps.... But do enjoy our *L'Etoile du Nord* a bit too!

Our hope is that everyone leaves filled with inspiration, memories of fine performances, and new friendships that will last for years to come. We're so glad you came!

Greetings, Harpists!

I am delighted to welcome you to St. Olaf College and to the 12th American Harp Society, Inc. Summer Institute. With seven choirs, two bands, two orchestras, two jazz ensembles, and three handbell choirs—not to mention all of the informal ensembles that students and faculty form—we are a college of music makers. We hope to provide you a hospitable environment for your important work and appreciative audiences for your performances.

I also hope that you will find time during your stay on campus to relax in the inviting gathering spaces in our buildings, enjoy the plantings around campus, and explore the walking trails in our Natural Lands.

Please let us know if we can do anything during your visit to make it more productive and enjoyable.

Sincerely,

David R. Anderson '74
President

It is my pleasure to welcome you to Northfield, Minnesota. I hope you have a wonderful conference and have some free time to experience our picturesque river town.

Here you'll find friendly people and a vibrancy that most communities only dream of. At our core you'll discover our charming downtown that's bustling with activity from coffee shops and shopping to beautiful scenery. Our Carnegie Library, two local breweries, art galleries, and restaurants provide something for everyone.

Not only are we privileged to be home to two beautiful world renowned institutions, Carleton College and St. Olaf College, but we are also surrounded by bountiful farm land. If you are looking for a place to toss a Frisbee around, mountain bike, or just a peaceful spot to sit, you'll find that we have more parks per capita than most places in the world.

In addition, our vibrant arts community comes out in our theaters, art galleries and music venues. And last, but certainly not least, I hope you enjoy our history, which includes our courageous townspeople who rose up to defeat the James-Younger Gang in 1876.

Northfield is Cows, Colleges, and Contentment. Enjoy your stay!

Sincerely,

Rhonda Pownell

American Harp Society Lifetime Achievement Award 2017

Barbara Weiger Lepke-Sims fell in love with the harp when she was five years old and her mother took her to a harp program presented by Alice Chalifoux and her students. Barbara was twelve years old and living in New Jersey when she started taking harp lessons. The American Harp Society, Inc. figures into her earliest memories at the harp, from participating in the Music Education Evaluation program at Sam and Rosalie Pratt's home, where Kathleen Bride and Jane Weidensaul were the adjudicators.

Barbara holds the Bachelor of Music Education degree from the University of Colorado, Boulder, studying with Helen Hope, who prepared her to be self-supporting throughout all phases of life, and the Master of Music degree from the Juilliard School, studying with Susann McDonald. New York provided Barbara with some amazing performing opportunities, including playing *The Fantasticks* in the Sullivan Street Theatre, being a soloist for Lincoln

Center Student Programs and performing in Carnegie Hall with the Young Americans in Concert. Barbara returned to Colorado following graduate school, where she has pursued a career performing and teaching. In 2009, Barbara expanded her areas of interest and expertise and became a Certified Music Practitioner, playing for patients in several hospitals. She recently became the Healing Arts Program Coordinator for part of the largest healthcare system in Colorado.

Barbara has been volunteering her time for the American Harp Society, Inc. since 1986. She has served as President of the Mile High (Denver) chapter; as Midwestern Regional Director, Director-At-Large, and Chairman of the Board of Directors. Colorado was the site of the 1988 National Conference in Denver and the inaugural Summer Institute in Greeley in 1995. Barbara was Co-Chair for both events. As Chairman of the Board, Barbara served as Chair of the Long Range Plan/Strategic Planning Committee, helping to steer the course of the AHS over the past 30 years. Barbara organized the numerous AHS committees into the organizational structure used for many years, spearheaded the development and implementation of the AHS website and served as

the website liaison for twelve years. She served as Media Group Coordinator from 1996-2010 and oversaw the production of the *Sharing the Passion* video, which is on the AHS homepage. She was a member of *The American Harp Journal* Editorial Board from 1995-2016.

Barbara became interested in encouraging composers to write for the harp through her membership on the Board of Directors of the AHS Foundation. In 2000, Barbara and her husband Mike established the Weiger Lepke-Sims Family Sacred Music Award. The intent of the award is to encourage composers to write works for harp and ensemble to increase the harp repertoire in sacred settings. The award is given in memory of Barbara's parents and grandmother, and in appreciation of her family. Barbara is honored to be receiving the 2017 Lifetime Achievement Award, and looks forward to continuing her friendships and contributions to the AHS.
