01 Partnership Opportunities

The American Harp Society will bring its inaugural national Harp Ensemble Festival to the Marriott Dallas Allen Hotel & Convention Center on June 17-20, 2027. The purpose of the Ensemble Festival is to encourage musical collaboration, the building of community through harp ensembles, and to inspire harpists of all ages and levels to advance their ensemble performance skills.

Hundreds of harpists in public school student groups, American Harp Society Chapter ensembles, private studio groups, and ensembles of friends from across Texas and the U.S. will gather in Allen, TX for four days of performances, adjudication, and workshops. These visitors will take advantage of the area transportation resources, dining options, local Dallas-Fort Worth Metroplex and Texas attractions before, during and after their festival experience. Evening concerts featuring renowned international artists will also be open to the wider public arts community.

We invite you to partner with the American Harp Society (AHS) and its Dallas Chapter in meeting your business goals, benefiting local businesses, and supporting the education of harpists of all ages and the Greater Dallas-Fort Worth cultural community. Let us customize the perfect sponsorship and/or advertising package for you.
