

Diamond Celebration Harp Ensemble at the 44th AHS National Conference

The **2022 National Conference Harp Ensemble** is open to all Conference registrants. Sessions will be coached by outstanding professional harp ensemble performers and the ensemble will perform the closing concert on the morning of Saturday, June 25, 2022. The repertoire includes parts for pedal and lever harps. Regardless of your experience level you'll find this ensemble experience exciting and musically rewarding, with daily rehearsals and encouraging section hosts present to facilitate your ensemble experience.

Participants must supply their own instrument, bench, music, and music stand. The AHS may be able to make referrals to local harpists for rental instruments; participants are also encouraged to contact vendors to arrange for a rental harp if necessary. Load-in to the rehearsal space is on one level from the free parking lot, and secure storage will be available between rehearsals.

Ensemble Coaches

Robbin Gordon-Cartier

Laura Zaerr

Ensemble Repertoire

Participants may choose to play on all of the repertoire or selected works, as desired, and choose your preferred parts! With the exceptions noted below, music is available on [HarpColumn Music](#) and from other harp music vendors.
